

Crime-lite AUTO®

ACCESSORY

The bench or wall mounted arm enables smooth operation of the Crime-lite AUTO in the laboratory

Crime-lite AUTO

LABORATORY ARM

QCL/AUTO/ACC/11

An optional accessory to the Crime-lite AUTO, the Laboratory Arm allows for smooth transition from it's use at the crime scene straight to the laboratory.

The articulated arm permits for easy laboratory operation and scanning of large evidence types. The secure mount captures steady footage whilst the quick release clamp allows the Crime-lite AUTO to be connected and removed in a timely manner.

Order Specification
